c. Noted it might be worthwhile if copies of the Sears and Roebuck catalog could be placed in the various USIA libraries. He said he intended to speak to George Allen about this at the OCB on Wednesday. The Director commented he would be willing to pay for this publication if necessary.

d. Noted he believed time, and possibly some bodies, could be saved in the Cable Secretariat if the preparation of briefings on cables is discontinued. He commented that as a general rule, the briefings are excellent but he tended to read the complete cable. Action: DD/S to have the Management Staff look into this.
